Do not include irrelevant details. Use of first person is strictly cherokee prohibited in precis. gave me According to the author, he wanted to visit an use exoticaplace... Lor Lucon Do not reproduce the list. Just give its gist. but boundary where arts and symbols of cherokee showed. I missed that area Wonds = 140 Total - 435

So much is wrong here. Do not include irrelevant details in the precis. The author is narrating the story of his visit. So, precis should be in past tense.
