6- Conclusion

Practice of body Paragraph:

Inheritance of women assured under laws:

If women ruled the world, inheritance of women would assured under the laws.

During the rule of men, women are totally ignored in many fields like jobs and educational departments and especially in inheritance. Men are not given inheritance rights to women just because of putting dominance on them.

~~Therefore~~, if women are involved in ruling the world, their not only rights are secured but also world is

run betterly. For instance, Angela Merkel,

the former ~~chairman~~ chancellor of Germany supports gender equality and women's rights.

Hence, inheritance assured if women ruled the world.
