Therefore, It needs to change go for following changes in order to entire an end to the long-standing conflicts. a) Reforms in UNSC: The powerful organ of UN is UNSC. However, this organ is futile. This is because, veto by any one country Linders the implementation of a peaceful. resolution. For instance, Russia. offered a draft resolution in which some of the countries including non-perminent members did not se vote or reject the resolution. while, Us which is one of the five permanent members vetoed the resolution. Hence, as per rule that resolution became futile. There Therefore, instead of veto, to voting should be based on 2/3rd majority, out of 15 members. b) Binding Nature of UN: UN resolutions should be binding in nature. This means, & member countries would have to implement the teroluties, otherwise, they would face sanetion. THE RECEIPT DISTANCE
