Examination 1975

Abilities of a Real Leader ✓

what are you trying to say???

? when we handovered our affairs to others, it is important to know what is possible. it is

worthless to make good projects when they cannot be completed.

Incitement of unconfined people are like a parallogram of passion. A great leader

recognizes this passion and know his abilities and limits

He does not become brised ^{with} between different classes. He ^{considers} takes nation as living ^{body} whose parts are interdependent. People have legal

sught to retaliate against a forceful leaders when they do not solved their economic and social problems. People followed

the way of person in whom, they have full confidence.

The other side of what is possible ~~that~~ ~~that~~ difficult things are possible to do. A great leader ~~awakes his nation and~~ make his nation progress with actions. Common politicians try to bring structural change but real leader know how to deal with religious people and real needs of people. A real leader always keep nation above his principles.

main idea is picked but there is no coherence in the content

need improvement in basic grammar

there is no clarity in the precis

not satisfactory
