	Unethical use of As tools in education and	
	its consequences	
	Oulline	
1-	Introduction	
	Thesis statement: In education, unethical use of Al	
	poses several consequences. Ready-made material, Al-	
	Based fixed knowledge, and containment of students!	
	crestivity etc are new among exidences. However, some	
	rational steps will curb unethical use of 47 for	
	quality of education	
2-	A glance at unelhical use at 41 in educati	
-		
3-	Manifestation of unethical use of Al in education	
		4
ره	Prevalance of ready made study material	
<u>ау</u> <u>ьу</u>		
	Short-cut attempt to get assignment done by As Copying of As fixed knowledge	
	Prevalance of ready-made study materials  Short-cut attempt to get assignment alone by Al  Copying of Al fixed knowledge  Reliance on Al-teaching co-operation	
	Prevalance of ready mode study materials  Short-cut attempt to get assignment done by As  Copying of As fixed knowledge  Reliance on As-teaching co-operation  I=scape of reading habit	
وا د) ا	Prevalance of ready-mode study meterials  Short-cut attempt to get assignment done by As  Copying of As fixed knowledge  Reliance on As-teaching co-operation  Escape of reading habit  Charger as a mester training of eduction	
(a) (b) (c) (d)	Prevalance of reachy mode study meterials  Short-cut attemps to get assignment done by As  Copying of Al fixed knowledge  Reliance on Al-teaching co-operation  Escape of reading habit  Chatair as a mister training of eduction  unethics	
(y) (y) (y) (y)	Prevalance of ready-mack study materials  Short-cut attempt to get assignment done by As  Capying of As fixed knowledge  Reliance on As-feaching co-operations  Escape of reading habit  Charger as a master training of education  unethical  Consequences of As usage in education	
(a) (b) (c) (d)	Prevalence of reachy mode study meterial  Short-cut attemps to get assignment done by As  Copyring of As fixed knowledge  Reliance on As - teaching co-operation  Escape of reaching habit  Charger as a mister training of eduction  unethical  Consequences of As usage in education  Containment of Students/ creative learning	
b) c) d) e) f) 4- a) b)	Prevalence of reachy mode study moterial  Short-cut attempt to get assignment done by As  Copying of As fixed knowledge  Reliance on As - teaching co-operation  Escape of reaching habit  Chatyer as a moster training of education  unethical  Consequences of As usage in education  Consequences of Students/ executive learning  Decline of equality of education
