Title

### Nizar Hassan: a Palestinian patriotic Documentary Maker

#### Precis

Nizar Hassan, a Palestinian documentary filmmaker produced film "Independence" in which he mocked the <sup>Israeli</sup> absurd notion of Independence on other's land. He wrote an email to the writer when <sup>was</sup> ~~Israeli~~ planning of more annexation ~~spread~~ he told him about his new film My Grand Father's Path. This film conveyed the message to take precautions against the Zionist settlers. If they behaved like enemy then they became like them and will forget their <sup>own</sup> ideologies. Palestinian Cinema had performed this task for years to protect them from the trap. His new documentary had pushed Palestinian into perspective. This work was mourning on his homeland. It's shorter version had been broadcast on Al Jazeera. People ~~owned it as a holy work~~

Every period <sup>brings along many</sup> comes with such realities <sup>by</sup> which <sup>by</sup> anyone don't like by anyone but we have to accept them. Sometimes, nature tests us with many things that doesn't mean to us. Despite it don't have any relationship with us, we have to go on by making it our life's part. Same is happening today. Every century has brought revolution with it that was totally new as compared to previous ones. Progress in realistic studies/natural has given a lot to human that
