strengthening the security issues. The improve
in infrastructure tourism in Pakistan ^{will} more
good.

Main body :-

Tourism is a catalyst for economic growth
in Pakistan. Pakistan tourism industry will grow
by providing more opportunities to tourist.

Through these opportunities more outsiders
attract and come to visit Pakistan. Pakistan
have a wide range of diversified culture and
heritage site. In this foreigners explore the
cultural festival of chitral, skalash etc. Pakistan
tourism industry provides an opportunities to
outsiders to explore the forts like Lahore
fort, fort mure. Pakistan have a lots of
museums through which country showcasing
it culture and history.

Pakistan tourism industries provided opportunities
to explore natural wonders and landscape.

The beauty of nother areas attract the foreigners
~~and~~ to explore them. According to regional government

of Gilgit-Baltistan's ~~gov~~ says in just nine
months of 2023, 17000 foreigners climbers and
tourists visited the area. These are said
to be highest figure of past two decade.

Tourist explore the beauty in Naran, Kaghan
and nothers areas. Climbers and foreigners
came to Pakistan and explore the beauty.

Tourists have ~~an~~ opportunities of religious site as well. Mosques, Temples and Church shows their beauty and attract the tourists. People comes to see the historical mosques like Badshahi mosques, Faisal mosques. The beauty of art and Handicrafts of a country also attract the outsiders. Pakistani women increases the beauty through embroidery and art and designs on Pottery. Through these foreigners come and explore the tradition of Pakistan. Food also play an important role in tourism industry.

Tourism industry of Pakistan also provides opportunities in sports events to attract tourists. Pakistan arranges events like trekking, Paragliding through these arrangements foreigners comes and take participation. On the other hand tourism industry also faces some challenge. Mostly, foreigners faces securities issues because after 9/11 incident Pakistan is considered as a terrorist country in the world. Lack of road, Railways tourists avoid to come Pakistan. There is no proper parts, hotels and roads in nothern areas. The big issues outsider faces in visa. The process for a visa is time taken. Public also untained and does not give proper guidance to tourist. These

challenges are constraints for visitors. The Tourism industry of Pakistan must address all these challenges. Consider all these challenges tourism will be more better to strenghten the security issues, improving in infrastructure. By Building new road, parks and hotels tourism industry attract more people / outsiders. Pakistan must organizes campaign, skill development program for a public through which tourist feels more comfortable and give positive compliment and show good image of Pakistan to world.
