

Essay : World Peace is a choice of Superpowers

Outline

A. Introduction

Thesis Statement : World peace is not possible without the contribution of every country in the world. However, to maintain peace in the world, it is the main responsibility and choice of superpowers.

B. Inter-relationship of World Peace and Superpowers

C. World Peace is a choice of Superpowers. (Thesis)

- (a) Effective role of superpowers in the disarmament and nuclear non-proliferation
- (b) Capacity to de-escalate conflicts through diplomacy and deterrence
- (c) Successful prevention of WW-III
- (d) Promoting global inclusivity and multilateralism for peace
- (e) Superpowers benefit from peaceful world

D. World Peace is Not a choice of Superpowers (Antithesis)

- (a) Involvement of superpowers in arms trade and weaponization (USA-Israel deal and Russia-Iran deal)
- (b) Contribute to regional conflicts by financing non-state actors
- (c) The hegemonic and selfish attitude of United Nation Security Council (UNSC) could trigger WW-III.
- (d) Increasing regional blocks are detrimental to world peace
- (e) Superpowers favor their self interest in the world (US-China trade war)

E. World Peace is Not only a choice But also a Responsibility of Superpowers (Synthesis)

- (a) Superpowers do armament and disarmament for the sake of global peace
- (b) Superpowers maintain peace in the world through use of force and treaties
- (c) Major war since WW-II has been prevented due to the shared choice of superpowers for world peace
- (d) Global trade and connectivity is increased due to involvement of superpowers (enhanced globalization)
- (e) Peace in the world is possible due to cooperation not confrontation of superpowers

F.

Conclusion
