Mock 7. November

Hassan Ali Gondal asked Shahab, when will his essay book be ready. Shahab replied, he believed by the end of November.

Hassan Ali Gondal ^{inquired} ~~asked~~, what the big deal. The competitive exams market is already full of essay stuff. What's special about theirs? Shahab replied, he speaks only about the international standards followed in essay writing that he was taught at Christ Church University during his one year teachers training course. His book follows the same standards. Moreover, it includes different practice activities rather than ready-made content for cramming. Hassan Ali Gondal replied that if it was so, then

its gonna ~~change~~ clear most of
his misconceptions about essay
writing.
