

Topic

"World Peace is a
Choice of Superpowers"

Outline

1. Introduction

Thesis Statement: World

peace is not just the
responsibility of one country
rather it is a collaborative
phenomenon. Superpowers have
always been playing a
major role in disrupting
it. Henceforth, it can be
maintained by developing
mediated nature for world
peace.

b. British Imperialism and Colonialism

b. Brutal role of US
in WWII

c. Never-ending miasma of cold-war

d. Interests of resurgence disrupted world peace

e. Role of US in escalation of Palestine conflict.

4. Peace is a choice of Superpowers (Antithesis)

a. Choice of Britishers to accept the ideas of new states,

b. Role of US in non-proliferation and disarmament after WWII

c. Positive role to stop the expansion of Russia

d. Diplomatic tug of war to resolve the conflict.

e. Mediation in various treaties and regionalism.

5. Despite playing role in world peace, Superpowers do not consider World Peace for their selfish interests (Synthesis)

a- Role of Great Britain
to disrupt the peace in
Germany

b- Double jeopardy in the
form of defense agreements

c- To maintain the status
quo and hegemonic nature

d- Saga of diplomatic relations
for their own selfish interests

e- Captivating role in
UN as permanent members
in UNSC

6- Conclusion
