Every era came with such affairs which are nobody choice but these has to accept. Sometimes, it is also happened that nature want to examine us, which is not related to our life. But we accept these challenges in life. Every decade came with new situations which is totally different from previous decades. Natural sciences and arts progress give us many more, which is called the culture of education and economics. Nature gives us fruits but also make sure that we fixed abode to hells in food way. If we do not do so then the filth of the country will increase.

— (Translation — 2017) —

In order to know about hidden flaw, it is essential for us to know what our enemy say about us.

Usually our friends praise us to flatter us.

Firstly, they do not consider our fault as a fault or they do not heart us. In contrast, our ~~enem~~ enemy tell us about every flaw and make a mountain from a mole hill but there are some reality in this.

Therefore, I am thankful who help us to know about these flaws. In this scenario, we see our ~~enem~~ enemy is better than friend.

Translation 2016

The laws of country and freedom of man are the obstinate one another according to common people thoughts. Apparently, this is not wrong thing.

Every law makes some restrictions on citizens. If the laws are more in the country then the restrictions will be more on citizens.

The freedom of citizens be burdened under the more restrictions. In the contrast, if the laws are less, than the freedom of citizen will be more.
