

## ESS precise book

### Independence in Human Relation

We are grappling with key changes and try to improve social interaction by techniques and skills. It cannot be possible without basic character. Self-discipline and self-mastery are the basics of relationship.

Authors say if one does not hold mastery he has not foundation of good relations. Self-respect is dependent on independence that is an achievement. Without independence human relation skill cannot develop. Ethics <sup>are</sup> ~~are~~ the most important ingredient of relations. Techniques and skills of relationship are truly independent character. So, ~~we~~ if we should independence we should keep highly productive relationship with other people.

## CS Translation 2017

It is necessary to know what our enemies call us - to find our ~~hidden~~ hidden faults. Our friends often praise us according to hearts desire. First of all, our faults do not like faults to them or they take happiness care so much loveable to hide them or overlook them. On the contrary to, our enemy keep fishing to find our faults as if he ~~make~~ to ~~make~~ makes mountain ~~out~~ out like molehill. ~~But~~ But it is right to some extent. Friend always adds up virtues of his friend and enemy faults. So, we should be grateful to our enemy as he informs ~~us~~ us to our faults. If it is seen in this context, enemy proves better than friend.
