Precise 2023:

Title: Freedom in education

The author highlights three main schools of ^{thought} thoughts on freedom in education. Among ~~these,~~ which one party advocates complete freedom.

The second ~~one~~ advocates complete absence of freedom. However, the third party ^{The} believes ⁱⁿ freedom, but only ~~for~~ for the good. Author ^{does} did not agree with this individualistic approach which believes that education has no positive purpose ^{it is only for development.}

Whereas, positive education is a prerequisite for a co-operative society. Some pro-freedom educators are successful due to their exceptional judgment, which is impossible to create. Therefore, the purpose of education ~~should~~ must be to provide mental and moral equipment along with development.
