

TRANSLATION 2016:-

Common people think that laws of a country and Individuals freedom are opposite of each other. This thing does not seem wrong. Every law do imply some restriction on citizens. If country's law exceeds then the collective limitations also increase. Excessive restriction the freedom of an individual. Contrarily, less number of laws broad the horizon of citizen's Independence.

satisfactory 6/10

PRECI 2016:-

A TRIP TO CHEROKEE

The author wanted to visit an unconventional place with his friend. They took a flight to Cherokee; a state of Oklahoma. At Cherokee, they visited a town Qualla Boundary surrounded by ~~artificial~~ mountain scenery with Oconalufee Indian village which represents the lifestyle of tribes of 18th century. With the help of a local person named George they explored the culture of Cherokee and he invited them for lunch where he told that he was

a wood cutter and how he spend^t his life.
and ~~where~~ They learned^t that not only
Cherokee but the people of tribes also have
to play their role to run their economy.
They celebrated^d a successful weekend
called "Bingo". ~~for their fresh restant~~. After
returning home ^a author missed that place
and looking^{ed} forward for ^a next trip.
