title is unclear

rephrase this sentence and write in a simple form

Manto : With social Intellectual clash

Manto, having a social conflict was stigmatized because of his vulgar writings. Despite being discouraged, he remained persistent to unravel the severe truths of life. annoying to the traditionalists. In Freud's idea, he attempted to reveal the hidden human sexuality

incorrect interpretation

developed

concretely, showing his anxiousness for underprivileged classes. Manto considers man as a combination of good and bad. He made an understanding association with his readers regarding some crucial issues modestly. Being pragmatic, he was affected mostly by the human's duplicity. He tackled vulgarity very wisely and his work presents the same frustration of the people as in the works of Joyce, Lawrence and Caldwell, and some excitement like them.
