Introduction

"Men's equality respects
women's equality."

(Jeremias)

Gender studies advocates
equality among all individuals. In Gen-
der Studies, autonomous versus integrat-
ion debate is prevailing. In this
context, feminists have advocated auto-
nomous debate as compared to integr-
ation. This shows that autonomous
debate have powerful ideas.

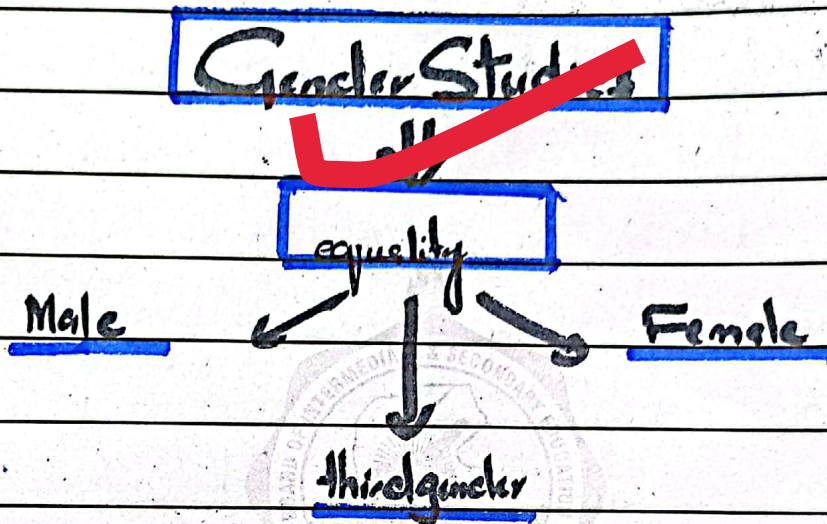

2- A brief definition of "Gender Studies"

"Gender Studies is equal
study of all rights relat-
ed to all individuals."

(The New York Times, 1914)

Gender Studies is the
study of all Biological identities.
Without any discrimination, all

Biological identities have equality in economic, social and political sphere. This shows that Gender Studies is study of all individuals.

3- Autonomous debate in Gender Studies

"Gender Studies should have separation from other subjects."

(Borczyk)
Autonomous debate advocates singularity of Gender Studies.
In fact, autonomous debate has

a separate study. This indicates autonomous debate in Gender Studies.

4) Integration debate in Gender Studies

"Gender Studies should be merged with other subjects."

Integration debate advocates pluralism of Gender Studies. In this debate, scope of Gender Studies should be promoted with other subjects studies. Hence, integration debate supports a combined study of Gender Studies.

5- Autonomous debate has stronger views than integration school of thought

Undenably, autonomous debate has stronger views. Many feminists support autonomous debate. This promotes a special focus of Gender Studies.

"Gender Studies should have a separate discipline."

Keep the description of a single heading brief and divide it into subheadings

(Belensky)
 However, some opponents disagreed as,
 "Women are ghetto."

Additionally,
 "Women are irritability."

(Historicizing Theory)
 This goes against autonomous debate,
 but the evidences are not powerful
 as autonomous integration views.

"Women are agent of
 change."

(Belensky)
 Autonomous debate is a special focus
 of feminist movements and development.

"Gender studies should have
 a special status of
 academic discipline."

(Belensky, 1984)
 Thus, above all statements indicates
 that Gender Studies should go through
 autonomous debate.

6- Reasons behind autonomous debate as the success of Gender Studies

Feminists believed that Autonomous debate is a room for feminism. Independence of Gender Studies will promote purpose of feminism, while, integration may curb a special focus of feminists.

"Gender Studies is an independent subject."

(Belensky, 1985)

Short answer. Add more arguments in this part

7- Conclusion

"One is not born a woman, but,

becomes one."

(Simone de Beauvoir)

Gender Studies advocates equality among all Biological identities. Autonomous versus integration debate

has a great focus. However, powerful
