

TRANSLATION 2016:-

Common people think that ^{Laws} Constitution of a country and individuals freedom are opposite of each other. This things does not seems wrong. Every law do implys some restriction on citizens. If country's law exceeded, ~~more~~ in numbers then the collective limitation also increases. Excessive restriction burdenized the freedom of an individual. In opposite, ^{contrarily} less of the law broad the horizon of citizen's ^{less no of laws} Independence.

PREFACE

(A TRIP TO CHEROKEE)

The author wants to visit a ^{very} conventional place free of crowd. His friend John called and suggested a trip to Cherokee, a state of Oklahoma to which he agreed.

They took a flight to Cherokee and visited a town ~~called~~ Qualla Boundary surrounded by an artificial mountain scenery. With its Deenahuttee Indian village representing the culture of 18th century and

boundary represents the history of Cherokee to
tourist.

The find a shops and tents with the help of
natives because even with language barrier,
The tents covered with animal skin and with
some traditional things. Welcome! Want to
get anything? They looked at middle-aged
man who was smiling and shocked by
his fluency in English. He introduced him-
self as John and invited them for lunch
at coffee shop.

George told them about his daily ^{work} and they get
to know that not only Cherokee but also
the tribes, native people have to play their
for income. In Bingo weekend they celebrate
a success at a huge bingo hall on Friday
where a lot of people gathered for fun
activity. George called it a refreshing start.
After returning home, he missed the place
and excited for trip off next exotic place.
