(Comprehension - 2017) Fahma Irshad 1. Why most of us fail in our efforts for self-improvement?

Ans. According to the writer, most of us donot succeed in our efforts for self-improvement because the techniques we tend to apply are too rigid and we have no time to deliver. In the our excitement, the goals are too high whereas the time required to achieve available them is never present. The task of self-improvement, therefore, is never fulfilled. 2. Why is it a basic mistake to announce our resolution to every body? Ans. It is a basic mistake to announce our resolution to everybody because if we fail to achieve our goals, we seem like fools. When everyone knows of our resolution, they tend nargin to slip. However, the only person who is foo ush at the rend is the one who shaves his aims.
