

# Essay : World Peace is a choice of Superpowers

## Outline

### A. Introduction

**Thesis Statement :** World peace is not possible without the contribution of every country in the world. However, to maintain peace in the world, it is the main responsibility and choice of superpowers.

### B. Inter-relationship of World Peace and Superpowers

### C. World Peace is a choice of Superpowers. (Thesis)

- (a) Effective role of superpowers in the disarmament and nuclear non-proliferation
- (b) Capacity to de-escalate conflicts through diplomacy and ~~deterrence~~ deterrence
- (c) Successful prevention of WW-II
- (d) Promoting global inclusivity and multilateralism for peace
- (e) Superpowers benefit from peaceful world

Do not mention prospects, rather give

### D. World <sup>argument</sup> peace is Not a choice of Superpowers (Antithesis)

- (a) Involvement of superpowers in arms trade and weaponization (USA-Israel deal and Russia-Iran deal)
- (b) Contribute to regional conflicts by financing non-state actors
- (c) The hegemonic <sup>design</sup> and selfish attitude of United Nation Security Council (UNSC) could trigger WW-III
- (d) Increasing regional blocks are detrimental to world peace
- (e) Superpowers favor their self interest in the world (US-china trade war)

### E. World Peace is Not only a choice But also a Responsibility of Superpowers <sup>Engage in</sup> (Synthesis)

- (a) Superpowers <sup>do</sup> armament and disarmament for the sake of global peace
- (b) Superpowers maintain peace in the world through use of force and treaties
- (c) Major war since WW-II has been prevented due to the shared choice of superpowers for world peace
- (d) Global trade and connectivity <sup>has</sup> increased due to involvement of superpowers (enhanced globalization)
- (e) Peace in the world is possible due to cooperation not confrontation of superpowers

F.
