

**(b) Rewrite the following dialogue, written in indirect speech, in a paragraph form.**

Helen: Mr West, what's happened to John?

Mr West: He's left the company

Helen: Why has he done that?

Mr West: He asked me for a rise but I didn't give it to him.

Helen: Why didn't you give him a rise?

Mr West: Because he was lazy.

Helen: Has he found another job?

Mr West: Yes, he is working in a film company.

Helen: What is his salary like?

Mr West: I think he earns quite a lot.

Helen: Does he like the new job?

Mr West: I don't know.

## Dialogue - (2016 CSS paper)

Helen asked Mr West that what had happened to John. Mr West answered that he (John) had left the company. Helen further questioned why had he done this. He (Mr West) replied that He (John) had asked him for a rise but he had not given it to him. She asked him (Mr West) why he had not given him a rise. Mr West answered that he had not given him a rise because he had been lazy. She further asked ~~him~~ whether he (John) had found another job. Mr West answered in affirmative and told her that he was working in a film company. Helen about his (John) salary. Mr West said that he (Mr West) thought he (John) earned a lot. She questioned whether he liked the new job. He (Mr West) replied he did not know.

## (Exercise # 2)

Teacher: why are you late?

Sana: I missed my school bus.

Teacher: Why didn't you leave in time?

Sana: sorry, I will do so ~~so~~ from tomorrow.

Teacher asked sana that why she was late. She replied that she had missed her school bus. Teacher again asked her that why she had not left in time. Sana ~~answered~~ apologized and said that she would do so from the next day.

## (Exercise # 3)

## (Exercise # 3)

Doctor: Since when are you facing headache?

patient: I had felt it in the yesterday morning during morning walk.

Doctor: Have you ever felt it before?

patient: No, I have not felt such pain.

Doctor asked his patient <sup>since</sup> when he had been facing headache. patient replied that he/she had felt it

in the previous day morning during morning walk.

Doctor further asked whether he/she had felt it

ago. patient answered in negative and told doctor that he/she had not felt such pain.
