Title: A Visit to Cherokee

According to the author, he was planning his trip, but ~~got~~ confused ~~about~~ ^{selecting} a particular city. His friend John selected Cherokee and they went together there. They visited a town called "Qualla". It was a beautiful village; many tourists come there to enjoy its beauty of nature. Despite of his language barrier with village persons, they were very welcoming to them. ~~On~~ this journey, he

met with George, who was a very hardworking person. George took them to lunch and afterward they enjoyed "Bingo weekends" where they played many games. Lastly, they visited museum & inspired by many handmade handicrafts. It was one of the remarkable memories of ^{the} Author.
