Translation:-

When the Palestinian conflicts came before the United Nations, then this body recognized the Palestinian: right to self-determination and proposed a formula for this problem. The two-state solution was proposed but this solution has not been implemented for the past seven decades - Israeli forces, on the instruction of the United States are playing Holi with innocent Palestinian's blood and Gaza has been completely destroyed by the Israel's forces for the past two and a half months. In this war, with the American assistance Israel has martyred nearly twenty thousand Palestinians including women, ~~and~~ children and the survivors are also ~~too~~ losing their lives due to shortage of food and medicines.
