Question NO. 7.

Translate the following into English by keeping in view figurative/idiomatic expression.

Ans:

Pakistan is determined to bring peace in Afghanistan because peace in Afghanistan is essential for Pakistan. Historically, being neighbour Islamic countries, Pakistan and Afghanistan have historical, cultural and linguistic ties. These relations are undivided. Both countries depend on each other and cannot live independently. Pakistan's stance from the beginning is to strive for political solution of the Afghan issue. China also supports the same stance. In this

regard, China is of the view that the only solution to Afghan issue is the <sup>peace</sup> negotiation between Afghan leadership. Pakistan and China should play their role to resolve Afghan issue through negotiations for strategic partnership.
