Q:

Write a precis of the following  
and suggest a suitable title:

Title :

"Ancient Greek Oracles :  
Communicating with the Divine"

The mysterious of life and the vastness of nature made human feel weak and led them to seek communication with powers believed to control the universe and their destinies. In ancient Greece, understanding the gods' wishes was essential for guiding behavior. Soothsayers, who had the gift of interpreting divine signs, practice the arts of giving oracles. They interpreted natural phenomena and sacrificed rituals. Sometimes, gods spoke directly through intermediaries in a state of divine madness.

Day: Tuesday

These practices formed the basis of Greek oracles, which were located in Sanctuaries dedicated to specific gods. Apollo was the main Solothsayes for the Greeks, conveying Zev's decisions, with Delphi being the most significant oracle and Dodona the oldest.
