## Introductory Paragraph

Ban Ki-moon say that "Brain drain is a serious problem for developing countries b/c they lose their best and brightest minds, who can contribute to their economic and social development". Brain drain is neither a new issue nor a fully settled one. Developed countries are dealing with it successfully. Whereas under developed countries are still struggling. Unfortunately Pakistan is one of them. The main causes behind brain drain are Lack of Career growth, educational opportunities and political Instability. These problems are not descended from heavens but they are man-made. So, serious
