Title: An Exotic Trip to Cherokee

During my holidays last May, the inability to decide the location arose because I wanted a secluded location which provided an adventurous thrill. With John we finalised Cherokee in Oklahoma State and left promptly. The Qualla boundary town was our destination, filled with a magnificent mountain range and its Oconaluftee Indian village was infused with tribal culture dating to 18th century.

The gift shops were full of traditional indigenous goods and at one shop, we were warmly welcomed for a chat and lunch. At the lunch we learnt about the activities of the shopowner, George, his road to success filled with difficulties. He informed us about the off-beat sources of income of the
