The journey of achieving life goals can be tough but one can achieve his life goals eliminating the negativity and keeping positive attitude. Life is unpredictable, it's like a roller coaster with twists and turns. Stress and anxiety can trap people in the web of life Unfortunately, our society is less concerned about stress and anxiety and people are not properly trained how to cope with stress anxiety. Stress, if not managed effectively, lead to even more complexities in life. It can affect a person's productivity, creativity and focus. It is impossible to eliminate stress from life as positive stress is essential for growth and progress However, when stress not managed it distrupts the failure. success and can lead ver4 stress managing 2000s. Therefore achieving

Every life lost in the result of Israel's extermination compaign in is precicious. Israel's are not differentiating between children, man, woman, old, combatant and noncombatant. They have been given orders by the Istaeli President that there one no innocent civillians in Gaza. One of the targets of their extermination compaign is to silent the voices of journalists and who are showing the world the injustice with Palestinian people and the aid workers trying provide succour to Palestinian According to the Committee to protect Journalist's latest figures, at least 33. journalists and media workers have killed since hostilities started on 28 are Palestipian, 4 Israelis been 1 Lebanese. One of the heart-rend stories mas that of the A1reporter, Mael-al-Dahdouh, rending wife, daughter, son and other Jazera members had been masacrare Whose Family
