

"Precis"

The England of our days is so strong and the Spain of our days is so feeble, that it is not possible, without some reflection and care, to comprehend the full extent of the peril which England had from the power and ambition of Spain in the 16th century.

Soln:

there is no title no word count
there are some basic ethic of precis writing
read the basic rules again and precis exceeds the word limit
too
0/20 rewrite it in a proper way

Today's England is very strong, while modern Spain is quite weak. Without careful consideration, it's hard to fully understand the extent of the danger England faced from Spain's power and ambitions in the 16th century.
