## (Application)

"An application to the Superintendent of Police of my district requesting the investigation into the increased cases of theft near major ATMs of the city"

Examination Hall,  
A.B.C. (city)

The Superintendent,  
Punjab Police,  
Vehari.

Subject: The investigation into the increased cases of theft near major ATMs of the city

Respected Sir,

With due respect, it is stated that the number of theft incidents are increasing day by day near the ATMs. The major reason behind is the poor policing and the lack of CCTV cameras near the ATMs. Resultantly, the thieves can easily steal the precious money

of the innocent citizens. Furthermore, the accountability process is very weak. The criminals are moving freely without any fear of bars. I have a humble request to you to improve the safety and security measures near the ATMs so that the citizens feel comfortable and safe. Last but not the least, please make the corrupt police officials having collusion with nefarious elements accountable. This will also improve law and order situation in the district.

Hoping for the positive response from you.

Yours sincerely,  
~~XXXXXXXXXX~~,  
X.Y.Z.

## Question No. 08 (Precis)

Title:

The objective of education

(Precis)

The core objective of education is to teach youngsters how to remain happy. Another purpose is to deliver historical lessons. In the choice of a subject, two main forces influence the decision making - one is rationality and other is emotionality. On the basis of these forces, knowledge is divided into science and arts. Therefore, the business of education is to provide the young with the skill of observation, and to provide the subject-matter of knowledge either in the form of science or of art, or both joined.
