Cherokee: A Memorable Trip

Author and his friend decided to visit Cherokee. After reaching there they visited a town known as Qualla, land full of mountains. Then they found a shop which contains tomahawks and war bonnets. There they met a shopkeeper who told them about his way of earning in tour season and tour off season.

point about language barrier and fluent english???

Besides this shop his source of income in tour off season is weekend entertainment. Lastly,

they visited Cherokee museum where Cherokee art was displayed. Finally, they returned home and were planning to explore another exotic place.
