

An Exciting Trip to Cherokee

The author wanted to spend his summer vacations at a thrilling and exotic place. Along with his friend, John, he went to Cherokee and visited beautiful town called Qualla Boundary. The village represents tribal crafts and lifestyles of eighteenth century. Language barrier did not come in their way. They visited many shops with the help of local people. They met a man named George. They were impressed by his fluent English. He told them that Cherokee's economy is not solely depend on trade but they also earned a handsome amount of money through "Bingo weekend". Their complement destination was at the museum. ^{after returning} At turn back, writer ^{and wished to visit} missed the place and would go
