

~~Suggested Title~~: Importance of Mental Attitude

~~Precis~~:

One's mental attitude plays a decisive role in one's life. When a day starts with a positive mind set towards the world, everything settles in one's favour. To witness, one focuses only on the best things to reinforce one's faith in God and optimism. Similarly, one can achieve one's goals through persistent reminders, as the achievement of goals hold an edge over merely dreaming of them.
