11.	The Politics - Administration	
	Dichotomy	
	The politics- administration dichotomy	
	posits a fundamental division	
	between the political sphere, concerned	
	with policy formulation and represent	win.
	and the administrative sphere	
	responsible for implementing those	
	polices. In theory, politicidhe set	
	in the direction, while administrations	
	translate it into action However,	
	this is rarely a neat	
	separation. Politics can intrude on	
	administration, leading to inefficience	
_	and corruption. Conversely, a	TO REAL PROPERTY.
