Constitution:-

Values and broader ways to

A Constitution is set of ~~ways on~~ which a state runs. In other words, you can say that a Constitution defines the rules for different aspects of running ~~the state in a~~ ~~broader way, to run a state, you~~ ~~broader way, to run a state, you~~ have to define the certain rule, so ~~that the state runs smoothly.~~ In a state, there are many components of it like people. ~~a Constitution defines~~ ~~the rights of the people and punishments for the crime.~~ ~~If we consider~~ ~~one example, anybody commits crime~~ ~~and we do not have any certain punishment for this crime then it's~~ ~~an injustice, so we make~~ ~~Constitution~~ which defines the punishment for the crime, not specific only for the punishment of the crime. Constitution also defines ~~the who rule the state~~ ~~and who is the ruler of the state~~ and the government and responsibilities of the different departments. Constitution is made by the parliament of the Pakistan and then it's approved from National Assembly and then everybody has to obey it. At last, we can say that without Constitution it's ~~very difficult to run a state smoothly.~~

Do not write in promiscuous way the we our us form
