

Subject Selection Query

Aoa Sir,

My optionals are Political science,
Environmental sci, GPP and Chemistry. Sir I
am confused about Chemistry because
I have not command at paper II.

Kindly suggest me, if I should go
for it or not. Further recommend other
optional too.

Thanks.

Consult the syllabus and past papers. If you feel that you have studied most of the syllabus, then go for it. You'll manage the remaining part but will be less time taking as you would have to study other alternate 2 subjects from scratch. Also chemistry can be scoring subject
