It is important to know, our invisible flaws, that what our enemies call us. Our friends often, praise us according to our hearts wishes. Firstly, our

flaws are not flaws for them
or they keep our personality
such ^{dear} that not so saddened
they ^{keep} them secret either or
they overlook them. But
our enemy grieve us well and
find our flaws at all.

Due to enmity, he broaden
the mirror thing but there is
some reality in it. A friend
always expand the virtues of
friend but enemy, flaws!

Therefore we should thankful
to our enemies ^{that} they knowledge
our flaws to us. From this
perspective enemies prove better
than friends.
