1. Introduction:

"Brain drain is akin to a country losing its brightest minds, like a garden losing its most vibrant flowers. Its leaves are void that is hard to fill, impacting the nation's growth & progress."

Brain drain is neither a new issue nor is it a fully settled one. Developed countries are dealing with it successfully. Whereas

underdeveloped countries are still struggling. Unfortunately, Pakistan is one of them.

The main causes behind Brain drain are socio-economic evils: & Good use of idioms
