Precis Practice (100 words)

Title: Career: Primarily a mode of serving

A mentally stable man, a bread earner not only work to earn his lively hood, but has some vision to accomplish. A sound mind person enjoy their tasks and are dedicated to it. They ought to look at their wages as reward. A soldier for instance, has main mission to win battles. Likewise, the dergyman has to preach. Similarly, a doctor works not ~~to~~ only to earn money, but to cure the sick and to save the life is their first priority. So, jobs are not merely are source of earning but primarily it is mode of serving with all your best inputs.
