All the sins in this world brought about by persons who are always busy. but do not know when they ought to be up and what they ought to be doing. There is still plenty of energy in this world but most of it misdirected. As people have aim to doing something, any time, even without taking care of mental health. At present time people think that, Lazeness is a crime, do work at any time to gain success. This approach make people away from religion and civiliza
