- 3.9 Advancement in technology
- 3.10 Creation jobs
- 3.11 improvement in education sector especially quality learning and skills
- 3.12 Empowering women
- 3.13 Promotion democracy

4. Conclusion

"Pakistan is the heart of South Asia." The first prime minister of Pakistan, Nawab Liaqat Ali Khan said before the conference in Lahore. Undoubtedly, Pakistan is one of the most gorgeous countries with particular location. The hardships of the country can be converted into prosperity through numerous pathways such as achieving political stability, countering terrorism and promoting tourism. Moreover, reduction in inflation, attraction in foreign investment and the spread of CPEC Phase-II are the pathways to bring prosperity in the country. Also, sustaining rule of law, shifting into renewable energy and advancing technological sector can profoundly contribute to achieve prosperity. Similarly, creation of jobs, improvement in education, empowerment of women and promotion of democracy can assist the country.
