

Federal Minister of Finance
 Mr. Alranganza Presented a
 budget in National Assembly
 on 12-6-2024. Federal Govern-
 ment prepared this budget with
 consultation of G.M.F. Govern-
 ment did not subsidize but
 finished all subsidies and
 imposed many taxes on ever-
 ything. Actually, it is the fault
 of government but also
 government was bound to imp-
 ose many taxes. At this time
 total budget was nineteen
 trillion dollars but it was also
 shortfall which government
 will manage itself. No
 government wanted to annoy
 its voters. Sometimes it
 is an obligation ^{to do} G.M.F
 also pressurised government
 to impose taxes otherwise

Federal Government prepared this budget under IMF

No government intended

no episode of money will
 release for Pakistan. Actually
 Pakistan has stable eco-
 nomy its reason is evasion
 of its citizens from taxes.
 Government of Pakistan is
 trying to compel its citizens
 to be fair. Unfortunately
 people are reluctant to pay
 taxes. Seventy five years
 have gone since Pakistan
 came into being. People try
 to evade taxes. Why? People of
 Pakistan are not used to
 pay taxes because they are
 not facilitated in education,
 health, transport etc. If gov-
 ernment spends money for
 its citizens and meet their
 demand then people are will-
 ing to pay taxes. When
 does money not spend properly

Good sentence structure here

Avoid such grammatical errors

People are reluctant to

Transportation is free of cost

in a country where transport is free for everyone.

Government and public should be at one page and make a good strategy so that maximum tax can be collected and maximum facilities should be provided to

Public then economy of Pakistan can be flourish.

Political Parties should be at one page for the sake of country and make its motto against corruption and money laundering.

Now one can do money laundering and corruption and authorities should try to recover money from corrupt leaders to stabilize economy of Pakistan.
