

Envy as a negative aspect of human nature

Envy is the most evil side of human nature as the main motive of envious person is only to inflict pain and suffering on others. But by doing this, envious person also becomes a victim of unhappiness because he remains in the constant loop of jealousy and hatred. These type of people are threat to human excellence as well because envy has no answers for the pain of unfortunate. So all of this prompts a need of solution. Generally, in case of ordinary man and women the only cure is happiness. However, envy is itself a hindrance in path of happiness as envious person can't bring himself to become happy for others. Hence, the only antidote for this poison is finding the root cause, which may or may not
