Manto faced criticism and his publications were prosecuted. However, he remained committed to unveil the bitter truths of life contrary to the traditional mind-set. He attempted to unearth the mysteries of sex in a manner that expressed his concern for vulnerable-segments. He established consensus with readers on most significant issues. He was concerned about the behavioural ~~double~~^{le} standards exhibited at various levels. He was aware of man's weaknesses. He efficiently addressed ~~very~~ immorality without involving in it. Like renowned ~~writers~~ writers, Manto's publications also highlighted prominent issues of human concern.
