

## Precise

Envy is a source of unhappiness

Envy is a feature of ~~bad~~ nature on human personality.

Because it does not destroy others' life, but also destroys himself.

Therefore, he feels jealous to see others' happiness, instead of enjoying their blessings. ~~This nature is lethal~~

~~for humanity.~~ Envious person does not understand that everyone has exceptional skills in life, which makes

them unhappy. However, it is necessary to reduce envy. ~~Because~~ it's the only way of happiness. ~~But~~ it is difficult to make them happy. ~~But~~ not impossible.

~~Because~~ he has no control on his thoughts. Thus, it requires time to overcome this situation.

to control on envy nature.
