(100 words)

Title: Career: Primarily a mode of serving

indent the content

A mentally stable man, a bread earner not only works to earn his lively hood, but has some vision to accomplish. A sound mind person enjoys their tasks and is dedicated to it. They ought to look at their wages as reward. A soldier for instance, has main mission to win battles. Likewise, the clergyman has to preach. Similarly, a doctor works not only to earn money, but to cure the sick and to save the life is their first priority. So, jobs are not merely are source of earning but primarily it is mode of serving with all your best inputs.

main idea is picked and discussed
word count is written at the end not the top
be careful about basic grammar it needs
