Translation:

The ^{old} wise man ^{once} said, "There is a flower whose fragrance reaches a mountain on the other side of the forest, where the lost light of the eyes returns. However, the mountain is very steep, and countless obstacles, dense forests and large boulders block the path. Many have attempted to reach it, but no ^{one} has succeeded in reaching the flower. Perhaps ^{that is} why there is suffering and pain in the world, and humans are searching for light."
