

## Sample Body Paragraph

Topic: Criminal neglect  
of child labor  
and its consequences

Sub-Heading: Children  
being abused in  
Domestic work.

Topic Sentence:

Child domestic  
labor is rampant throughout  
Pakistan due to which  
children are silently but  
gravely abused and  
exploited inside boundary walls.

Explanatory Sentence:

Children being  
working inside the  
boundary walls, whether in  
homes or offices are  
sexually, physically and  
mentally abused. Most

They confront different challenges and are made victims of different crimes.

### Supporting Sentence:

Most of these cases are not reported in the media, instead, they are swept under the rug. In the case of sexual assault, the case is hushed to save face given its taboo nature.

### Example:

In July 2022, a qualitative study by the International Labour Organization (ILO) determined that one in every four households in Pakistan employs a child in domestic work, predominantly girls, aged 10 to 14 years.

### Concluding Sentence:

Thus, children are neglected and exploited when they work as domestic help.
