

Effects of Culture on Society.

Culture in any Society has two components, internal and external.

The internal factor is most important which shapes culture and social structure of society. Both culture and social structure are inter-related. Therefore, cultural problems can't be understood without

understanding social issues. Between 16th to 19th century, European

Imperialist captured many countries in Asia, Africa and Latin America.

This colonization stagnated the social and ^{the} cultural development of these societies. Owing to political subjugation, the development of these societies remain restricted ^{until} they got political independence. Before the arrival of

the colonial masters, there were feudal and tribal societies. Both feudal and tribal societies

Let's consider. How can you be happy? When you are celebrating Eid Festival at your home, while ignoring the forced and helpless people. You ought to help these people. Your happiness will increase as much as you share it with them.

قومی کردار کا پہلا جزو حب الوطنی ہے۔ حب الوطنی ایک ایسا جذبہ ہے جو ذاتی مفادات کو قومی مفادات پر قربان کر دیتا ہے۔ آزاد ملک کے شہری کو ہر کام سے پہلے سوچنا چاہیے کہ ایسا کرنا قوم کے لیے فائدہ مند ہے یا نہیں۔ قومی کردار کا دوسرا اہم جزو زندگی کے ہر شعبے میں دیانت داری اور انصاف برتنا ہے۔

Patriotism is the first element of national conduct. Patriotism is the first element of national conduct.

ذرا سوچئے! آپ خوش کیسے رہ سکتے ہیں؟ جب خود آپ کے ہاں تو عید کا جشن منایا جا رہا ہو، آپ مجبور اور بے بس لوگوں سے چپکے سے گزر جائیں۔ آپ چاہیے ایسے لوگوں کا سہارا بنیں۔ ان کے ساتھ جتنی خوشیاں بانٹیں گے، آپ کی خوشیوں میں اتنا ہی اضافہ ہوگا

Think a while! How can you be happy? When at your residence Eid festivity is celebrated and you pass secretly by the forced and the helpless people. You

Patriotism is the first element of national conduct. Patriotism is such a passion which sacrifices self-interests on national welfare. A citizen of an independent state thinks first of national welfare before doing any thing. The second element of national conduct is to be honest and just in every field of life.

Importance of morality in society.

The writer in this passage

emphasized on the need of morality

for society. Morality is required to

promote peace and for well-being

of society. Traditionally, this sacred

duty was accorded to clerics. But

they corrupted and ^{failed to} fulfill their

responsibility. Now, Educators should

play their role to train human

beings on moral standards. Only

moral human beings can promote

kindness and sympathy in

society.
