Envy: A bad characteristics
of human nature

Envy is one of the bad characteristics of human nature. An envious person wish to inflict whenever he can and remained unhappy. He feels pain what others have and wish to secure the same himself. It becomes lethal to all experts and most useful exercise of exceptional skill. Envious person finds no answer. Admiration is the cure of envy. One can increase happiness by admiring. In case of saints it is a cure of selflessness and in case of ordinary men and women happiness is cure of envy. But it is itself challenge to happiness. One cannot find happiness unless give up envy. One should take stern action to cure envy.

Translation

The old man told that there is a mountain on the other side of the forest where that flower bloose whose fragrance cures the lost eye sight, But mountain is too high and there are various rocks, bushes and big stones on it which blocks the way. ~~Many people came and go~~ To reach this mountain, many people came and go but no one succeed to reach this flower. So, there is sorrow and pain in the world and man is in the search of light.
