Date: 30th March, 2024

Assignment #1 of "Paragraph Writing"

Topic:

My City (100 words)

My city name is Chakwal. It is the best city of the country even in fact it is the best city of the world. It is full of peace as there are least chances of terrorism. People of my city are so simple. They are modern within religious limits. Some aged ones are conscious ^{or conservative} about many things according to their ages and times but many have much liberal thoughts. Most of the people of my city are very educated and are very skillful and many of them spend their skills and abilities in the development of city and country. People of my city are very brave, as they don't take care of their lives as many were sacrificed their lives for the sake of country and add their names in the list of martyrs till the end of the day. There is also a park in my city for the remembrance of endless efforts and sacrifices of martyrs with the name of "Yadgar-e-Shuhada". Names of martyrs are mentioned here and they will always live in our hearts. There are also other parks for enjoyment and relaxation of people and especially children like Allied Park, Comitte Park and Allah Mahil Park.

Date: _____

People used to come here for walk and take fresh air and cool their mind with cool breeze in the morning. Children used to take swings and play different games. There are many shopping Malls in my City and have different brands with variety of stuff that is great in quality and designs. My City has many resturants and other delicious edibles. The famous sweet of my city is Pehalwan Piri which has high demand especially in winters. There are new and clean roads without any pits in my city. Its people used has good behaviour with poor, 'despite' besides daily routine especially in Ramadan, they give different edibles, clothes to poor and try to help them greatly for the sake of Allah. My city has good drainage system and has less pollution or dirt compared to other cities. With all these qualities, I love my city and may its remains forever like this with more developments and success.

Conclusion:

My city is the best city due to its people, joy spots, less pollution and many and countless availabilities.
